RECENT BURGLARIES SOLVED

During the past few weeks, The Pratt Police Department and the Pratt County Sheriffs office have been investigating a series of burglaries that had been reported. With a combined effort between the two Law Enforcement Agencies for these burglaries, two suspects have been identified and taken into custody.

Thank you for all the hard work that all of our local law enforcement does and I want to personally thank the Detectives of the Pratt Police Department for their efforts in getting these cases solved!
